

CREATIVE

HONOUR BOARDS

About Us

Creative Honour Boards is a British company specialising in wooden honours boards, glass effect acrylic honours boards and honours board lettering. We are also UK pioneers of a digital honours board system.

Our traditional honours board ranges are available with solid oak mouldings or veneered edges. We stock some key products, but also pride ourselves on offering a bespoke design and quotation service to suit the specific needs of our customers.

Our digital honours board range is also fully customisable, with a variety of screen sizes and designs available along with a software only option. These Digital honours boards have a bespoke system allowing us to tailor images, colours, fonts and logos to the specifications of the customer.

Wi-fi enabled screens and cloud hosting means that all updates can be completed at the touch of a button.

Whatever your honours board or lettering requirements we are confident we can help.

Contact us today for a no obligation quotation on your requirements.

Why Choose Us?

How do I update my board?

We keep a record of the product we have supplied, simply give us a call or send us an email with the required additions.

- These will be cut and supplied in a easy 'Ready to Apply' format
- with photographic instructions.

We SHOUT about quality!

In our opinion we think our products are the best available. Our wooden boards have solid oak mouldings or veneered edges with a lacquered finish for longevity and hidden wall fixing method. Our high tech touch screen systems are robust and highly reliable.

How long for delivery?

Our honours boards are supplied within 2-4 weeks. Our digital systems are available within 5 days for software only versions. If you have a particular deadline please give us a call, we have not missed a requirement yet. Delivery available throughout UK.

Recent Customer Reviews

“

In the meantime I just wish to say – Many, many thanks for your cooperation, attention to detail and helpfulness in producing exactly what our club required. The two boards are excellent with the speed of manufacture and delivery first class. Duncan, your courier, was extremely obliging and accommodating.

Hessle Lawn Tennis Club

“

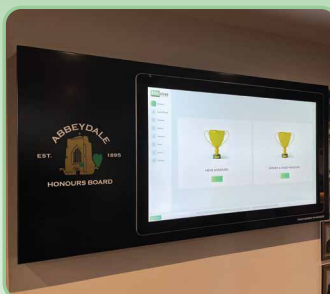

They were unpacked yesterday and have gone up onto the walls in the Music School today – they're way beyond my expectation, absolutely tremendous and I am so so grateful to you...They are quite exceptional.

Digital Honours Boards

- A modern alternative
- You are in complete control over content
- Secure & instant updating
- Cloud hosted database
- PCAP touch screen hardware
- Search functionality
- Client login panel
- Fully responsive with Mobile View
- Non touch screen version option

The latest development from Creative Honour Boards offers a high tech interactive digital honours board range with touch screen functionality or as a simple digital display format. All screens have a bespoke software designed to accommodate any amount of awards and display them in a format that is both easy to read and navigate.

Our interactive version comes with your very own admin login allowing you to easily change the content of the screen and add new names/dates instantly from a desktop computer, tablet or mobile. Giving you complete control over what information is displayed and when. With a cloud hosted database and WI-FI enabled screens any updates or changes can be applied within minutes. With cloud hosting you can be sure that all of the information is stored securely and safely.

Our static display version slides through fixed images of honours boards, sponsors or any other content you wish to display. This system allows you to control which slides are on display, in an order required and for the time you wish. Our in house designer will generate your slides and set them up to your specific needs. When a slide needs to be added or an existing updated we can undertake this rapidly for a very competitive cost. This slider display is a very simple 'plug and play' solution. Simply plug the small hardware into a power source, connect to your TV and then follow the instructions to connect via WIFI or ethernet and away you go.

If you would like a no-obligation demo of either system please get in touch or visit the links below.

All products designed and supplied by us are made to order here in the UK by qualified experienced craftsmen.

We source the highest quality materials to ensure each and every product will provide years of effective use. The majority of our wooden honours boards are manufactured from veneered MDF panels and solid oak mouldings with a lacquered finish for longevity and a high quality finish. Budget boards with a veneered edge are also available and are becoming increasingly popular.

We are able to supply other woods, please contact us.

Material Finish

All of our wooden honours boards come with a lacquered finish. Standard finish is light oak as shown with darker options available at an additional cost.

(Please note on screen or print colours are not a 100% reflection of true finish. Please contact us for a sample if finish is vital.)

Light Oak

Georgian Oak

Jacobean Dark Oak

Vinyl lettering

All of our boards are priced with titles, sub titles & up to 20 name/date entries of vinyl lettering. We use a high quality vinyl which is available in 52 colours including gold and silver effect.

Standard fonts are TNR, Lato, Helvetica or Arial, however we can cut to a specified font on request at no additional cost.

Graphics & Logos

We can apply your organisations crest or logo to your honours board at a small additional cost.

Depending on the complexity of the artwork we can either cut the graphics from a single colour vinyl or we can print the artwork in full colour to a white or clear vinyl with a matt or gloss laminate.

Glass Effect Acrylic Honours Boards

Our 8mm glass effect acrylic honour boards are one of our most popular materials. A truly modern way of displaying your honours.

The boards come with polished edges and radius corners. We are able to offer a large variety of shaped tops with few limitations.

We offer the material in a clear, frosted effect or green tinted finish as standard with bespoke colours and thicknesses available on request. As with our wooden boards vinyl lettering is applied to the face of the board.

Stand-Off Connectors

All glass effect boards are supplied with the necessary stand-off connectors for wall fixing. These come with a polished chrome finish as standard.

A possible variation using this material is to fix the glass effect panel to a wooden backing board providing a contemporary finish with a traditional twist.

polished chrome finish stand-off connector

Vinyl lettering

All of our boards are priced with titles, sub titles & up to 20 name/date entries of vinyl lettering. We use a high quality vinyl which is available in 52 colours including gold and silver effect.

Standard fonts are TNR, Lato, Helvetica or Arial, however we can cut to a specified font on request at no additional cost.

Graphics & Logos

We can apply your organisations crest or logo to your honours board at a small additional cost.

Depending on the complexity of the artwork we can either cut the graphics from a single colour vinyl or we can print the artwork in full colour to a white or clear vinyl with a matt or gloss laminate.
